

Jim is an AWESOME Square Dance Caller!!

Jim and Loretta were AWESOME!!! None of us had experience at square dancing and they were so patient with our group. We had so much fun and we are still talking about it today. All of us would recommend Jim to be their square dance caller for their event. We have lots of picture and videos but I don't know how to attach them because they are not in my "camera" they are in my phone gallery. - Debi J.
