

Huge Smiles and Yeehaws!

Our family of 22 had a blast with Loretta and Jim at our family vacation Bathing Suits and Cowboy Boots party. We had two squares plus two babies running around and 4 extras to rotate in. Loretta and Jim could clearly make any number fun. Even the most skeptical among us surprised themselves at their square dance prowess - "you just have to listen and you can do it!" Huge smiles and Yeehaws all around! Thank you, Loretta and Jim!
